Sir:

I, Anett Fabian, hereby declare to the best of my recollection under penalty of perjury as follows:

1. I am an authorized agent acting on behalf of the assignee of the present application, ALSTOM Technology Ltd. I am a patent secretary in the CHTI Intellectual Property department of ALSTOM Technology Ltd.

2. Christian Oliver Paschereit, a named inventor of the above-captioned patent application, was employed by ALSTOM (Switzerland) Ltd. This patent application is assigned to ALSTOM Technology Ltd.

3. Mr. Paschereit is no longer employed by ALSTOM (Switzerland) Ltd.

4. On November 23, 2003, I had a telephone conversation with Mr. Paschereit. During our conversation, Mr. Paschereit stated to me that he would refuse to sign any kind of papers for any kind of application in the future.

5. To my knowledge, ALSTOM Technology Ltd has not received the executed Declaration for the above-identified application from Mr. Paschereit as of the date of this declaration of facts.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 10001 of Title 18 of the United States Code and that such willful and false statements may jeopardize the validity of the application or any patent issued thereon.
